

Action Plan 5 – Practitioners Workshop

March 19, 2002

Practitioners Workshop

- **FAA/Eurocontrol R&D**
 - **Action Plan 5 – Validation Strategy**
- **Objective of Workshop**
- **Results**

FAA/Eurocontrol R&D

- **FAA/Eurocontrol R&D Committee**
 - **Joint/Cooperative research between US and Europe**
 - **ADS-B, Procedures, Operational Concepts, Separation, Validation, etc.**
 - **Action Plan 5 – Validation and Verification Strategy**
 - **Validation Strategy Document**
 - **Validation Data Repository**
 - **Workshops on best practices (putting VSD to practice and supplying the flesh to its bones)**
 - **AP5 activities can provide the glue that provides continuing benefits of cooperation**

Objective

- **First Practitioners Workshop**
 - **Capture best practices (Validation exercises) from Europe and US**
 - **Focus of this workshop – Real-Time Human in the Loop simulation studies**
 - **Follow on workshops – subjects?**

Results

- **Products from this workshop**
 - **Best Practice paper – appendix to the Validation Strategy Document**
 - **Lessons learned**
 - **Do we sponsor another workshop?**
 - **What can we do better?**
 - **How do we ensure that the community applies these methodologies?**
 - **Can we have harmonization on techniques between/within Europe and US?**
